

Orthoptics Australia

July Scientific Meeting

09 July 2011

Due to the overwhelming success of last year's July Scientific Meeting, The Orthoptics Australia (VIC Branch) has decided to hold the **July Scientific Meeting 2011** on **Saturday 09th July** at Balgownie Estate in the Yarra Valley again.

Tony Wu is coordinating the scientific content so if any member is attending and would like to present you can email him on tonyn@unimelb.edu.au.

This year we plan to have a series of panel discussions and case studies, so we will have a mixture of general ophthalmic and strabismus content.

It will be a great day with a mid-morning start, complimentary bus to the venue, delicious lunch and wine and of course the scientific content.

Register with a friend and receive a \$10.00 discount.
(Discount does not apply to student rate)

Venue

Balgownie Estate
1309 Melba Highway
Yarra Glen
www.balgownieestate.com.au
