District Health Board

why work anywhere else?

## ORTHOPTIST, OPHTHALMOLOGY DEPARTMENT

**Vacancy Reference Number: AH09090**

64 hours per fortnight, fixed term position for 8 months to cover parental leave.

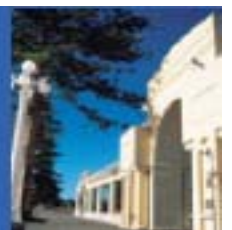

This position is based at Hastings Hospital and would be an ideal opportunity for someone to take a working holiday and tour NZ.

We are based in sunny Hawke's Bay, the renowned wine region; there are 28+ vineyards in a 15 km radius and a balmy Mediterranean climate.

This position is a single handed Orthoptist triaging all new paediatric referrals prior to the consultant assessment. All patients under orthoptic review, will have relevant orthoptic investigation from which a care programme will be developed specific to the ocular condition. Following patient review, treatment may be adapted according to clinical findings and compliance diagnosis and treatment.

The successful applicant will join a friendly team of 4 consultant ophthalmologists and two ophthalmic nurses; as well as a friendly general OPD department.

**Closing Date:** Open
