

ORTHOPTIST

Flinders Medical Centre, Ophthalmology Department

Indicative Total Remuneration: \$77,535 - \$85,390 – Perm F/T – PO2

With your experience you will be capable of running an efficient Orthoptic service at the Flinders Eye Centre and ensuring patient flow throughout the clinic is organised and timely. You will provide discrete professional and consultancy services for externally referred patients through independent clinics, as well as train clinical staff on the correct use of all Ophthalmic clinical apparatus.

A degree in Orthoptic and Ophthalmic Science or similar qualification approved by the Commissioner of Public Employment and membership of the Australian Orthoptic Board is essential. Your grounding in all Orthoptic and Ophthalmic procedures, along with experience working with children in a hospital setting will be looked upon favourably for permanent employment within this centre of excellence. *Job Ref: 4736.*
