## Senior Orthoptist - Grade 3 (Full Time role)

East Melbourne | Permanent Full Time

Reference Number: **4636** | Applications Close: **27/01/2010**

The Royal Victorian Eye & Ear Hospital is Australia's leading provider of eye and ear health care. Our approach integrates clinical care, research and education to optimise innovation and produce the most advanced treatments for vision and hearing loss.

An excellent opportunity exists for an experienced Orthoptist to join a large and emergent Orthoptic Team to deliver organisation-wide orthoptic service requirements. Orthoptists at the Eye & Ear are integral to the provision of a quality and well-organized patient journey and an efficient ophthalmology service.

Working alongside Medical, Nursing and Orthoptic staff, you will be a clinical lead for the orthoptist-led review service within the eye clinics, and responsible for the coordination and development of clinical triage and discharge processes to ensure optimum patient care. You will also work with referrer groups and community-based eye care partners.

To succeed in this role you will have excellent clinical and patient management skills, experience in development of efficient and innovative clinical practices, and excellent communication skills. You will be able to make a team work. You will have insight into the work of a public hospital and what is required to manoeuvre within a service like ours to effect improvement.

Join us in making a real difference to the lives of our thousands of patients. We are close to public transport. We offer considerable employee benefits, including salary packaging and subsidised car parking.

For more information about this role please contact Associate Professor Zoran Georgievski – Manager of Orthoptics on (03) 9929 8445.

Please apply by clicking on the 'Apply Now' button below no later than Wednesday 27th January 2010.

Please Contact Associate Professor Zoran Georgievski (Manager of Orthoptics) on (03) 9929 8445 for more information.

Added On: **12/01/2010**
