We are looking for an Orthoptist to join our busy practice in Townsville in North Queensland.

This is an opportunity to advance your career and gain further experience in a relaxed and friendly practice.

You would conduct all preliminary examinations prior to the patient being seen by the Ophthalmologist including visions, refraction, IOP measurement, corneal topography, OCTs, A-scans, preparing patients for intravitreal injections and assisting at minor operations.

The candidate should be a current member of the Australian Orthoptic Association and assistance would be given to attend conference and courses in order to keep the candidate's registration current.

Relocation assistance would be considered.

Generous Salary and Conditions
