

FULL TIME ORTHOPTIST: VISION EYE INSTITUTE FOOTSCRAY

A position for an enthusiastic and motivated full time orthoptist has become available at Vision Group's busiest ophthalmic clinic: Vision Eye Institute Footscray. Vision Group is the largest national private employer of orthoptists in Australia and therefore can provide a friendly and supportive team environment and career opportunities. The successful applicant would be joining five full time orthoptists and ten ophthalmologists covering a range of subspecialties, including Glaucoma, Retinal and Cataract.

Duties can include:

- Subjective Refractions,
- Biometry (IOL Master),
- Fundus Photography and Angiography (TOPCON),
- OCT's (Cirrus),
- Visual Field testing (Humphrey)
- Pachymetry
- and some pediatric examinations.

The successful candidate will have good communications skills, be able to work independently as well as part of a team and have a strong commitment to providing the highest level of care. Experience is desirable but not essential, full training can be provided. They will hold approved tertiary qualifications and be registered with the AOB. Whilst the position is mainly based at Vision Eye Institute Footscray, there will be times when travel to other clinics in the Vision Group network is required, so a drivers' license and car are essential.

If you require further information please call Sarah Thomas on 0466 144 975

Applications close Monday 8th February via email:
