

FULL TIME ORTHOPTIC POSITION

An opportunity exists for a full time Orthoptist to join our busy, multi-doctor Ophthalmic practice at Caulfield Eye Clinic. The successful applicant will be a member of our friendly and supportive team of four orthoptists.

The Ophthalmologists' specialities include: Cataract, Refractive Laser Surgery, Glaucoma and Medical Retina.

Clinics will include the following duties:

- Subjective refractions
- Applanation
- Biometry (IOL Master)
- Perimetry (HVF)
- OCT (Cirrus)
- Pachymetry (Tomey)
- Fundus photography
- Assessing Ocular Motility

Assisting in ophthalmic surgery may also be required in due time.

The successful applicant will be enthusiastic and motivated and have excellent communication skills and sound clinical skills. They will have the ability to work well both independently and as a team. While some experience would be beneficial, it is not essential, as full training will be provided.

The successful applicant will have approved tertiary qualifications and must be registered with the AOB.

New and experienced orthoptists are encouraged to apply and salary will be based accordingly.

Applications along with your resume' should be forwarded by post or e-mail to:
