## MANUSCRIPT SUBMISSION

Each of these sections should begin on a separate page. Pages should be sequentially numbered. The manuscript submission should be electronic, via email to: [AOJ@orthoptics.org.au](mailto:AOJ@orthoptics.org.au)

**Title Page:** The title page should include the title of the manuscript and each author's name, academic qualifications and institutional affiliation(s). A 'corresponding author' should be designated and their address, telephone number, fax number, and email address listed. The title page should also include the word count for the abstract and text.

Authors should also use subheadings for Case Studies, generally as follows: Introduction, Case Report and Discussion (Conclusion is optional). Case Studies should not exceed 1500 words.

**References:** References must be numbered consecutively in order of appearance in the text. In text references should be designated a superscript number following all punctuation.

When there are 5 or more authors, only the first three should be listed followed by et al. References to journal articles should conform to abbreviations in Index Medicus. Examples of reference styles are as follows:

**Conflict of Interest:** Authors should declare any financial support or relationships that may pose a conflict of interest or perceived to.

## THE REVIEW PROCESS

Manuscripts are reviewed by two referees. The referees are masked to the authors and vice versa. Authors will be notified of the decision once the reviews have been received.
