## STUDENT GRANT APPLICATION FORM

### OAA NSW Branch

The OAA NSW Branch has established an annual student grant to assist Orthoptic student members attend Continuing Education events held in NSW. The applicant must be actively studying and who is a student member of OAA.

The once yearly grant is to cover continuing education attendance and travelling expenses up to \$500. It may be used for the Continuing Education Weekend or the Continuing Education AGM Day. Each applicant may only be awarded the grant once each 3 year period, i.e., the same person cannot receive it every year.

Applications for the grant may be made to the NSW Branch. Please fill out details below if you wish to apply for the grant and send it by the due date on the registration form. Please ensure you fill in the registration form as well as this form.

Thank you Nhung Nguyen.
